Are you frustrated by the loss of freedom in America, where the growth of government and taxes continues unabated?

Do you want to live in a community where your rights are respected, and people exercise responsibility for themselves, and in their dealings with each other?

If you answered “yes” to these questions, then **the Free State Project has a solution for you.**

Thousands have already pledged to move to New Hampshire in an effort to peaceably bring about **true change** — by transforming the state to one where liberty is cherished and government is downsized.

Hundreds have already made the move and are making a difference; what are you waiting for?

Join the Free State Project and experience “Liberty in Our Lifetime!”

New Hampshire is the freest state in the country and offers immediate benefits to those who move there:

- **no state income tax**
- **no state sales tax**
- **strong eminent domain protections**
- **prosperous business environment**
- **accessible citizen legislature**
- **“All persons have the right to keep and bear arms in defense of themselves, their families, their property and the state.”**

—New Hampshire Constitution, Article 2-A
